Of Mice and Men. by John Steinbeck. Things Fall Apart. by Chinua Achebe. In Megatrends for Women, Patricia Aburdene and John Naisbitt, the internationally respected social forecasters who gave us the number one bestsellers Megatrends and Megatrends 2000, now outline the ways women are transforming every sector of contemporary life. Drawing on a wealth of data on social change, they offer example after example of women making a difference as CEO's, athletes and political and spiritual leaders. Chapter by chapter Megatrends for Women documents the sweeping changes women need to be aware of to be empowered now and in the future: . A record number of women candidates are seeking political office; a woman will be president of the United States by 2004.
