**HANDBOOKS**

**DATABASES**

**ABI/INFORM Global**
Search 1000 premier worldwide business periodicals for information on accounting, advertising, marketing, economics, human resources, finance, taxation, and computers.

**Academic OneFile**
Provides peer-reviewed, full-text articles from journals and reference sources. With extensive coverage of the physical sciences, technology, medicine, social sciences, the arts, theology, literature and business.

**Banking Information Source**
Provides information about the financial services industry, banking trends, topics, issues, and operations.

**Bepress**
Scholarly journals in the areas of Economics, Business, and Marketing; Law; Political Science and Current Affairs; Biological Sciences; and Engineering.

**Business & Company Resource Center**
Provides company profiles, company brand information, rankings, investment reports, company histories, chronologies, and industry news and information.

**Business & Industry Database**
Facts, figures, events and market information about companies, industries, products and markets. Draws content from trade and industry publications, regional, national and international newspapers, business dailies and newsletters.

**Business Fulltext**
Indexes and abstracts from the leading business magazines, trade and research journals, plus the full text of selected periodicals. Subjects covered include: Accounting, Acquisitions and Mergers, Advertising and Banking.
**Cabell's Business Directories**
The Business Set includes the Cabell’s Directories in Accounting, Economics, Finance, Management and Marketing. Professors and graduate students in Business frequently use Cabell’s Directories to assist them in publishing their manuscripts.

**EconLit**
Contains citations, with abstracts, to articles from more than 400 economics journals. In addition, subject indexing and abstracts of books and subject indexing of dissertation titles are included.

**Encyclopedia Britannica Online**
Consists of a fully searchable and browseable collection of authoritative references, including Britannica’s latest article database.

**General Business File**
Analyzes company performance, activity, industry events and trends as well as the latest in management, economics and politics. Provides access to a combination of broker research reports, trade publications, newspapers, journals and company directory listings with full text.

**General OneFile**
Search humanities, education, business, science, current events, art, politics, economics, social science, law, health care, computers, technology, environmental issues, and general interest topics.

**General Reference Center Gold**
Use this database to find articles from newspapers, reference books, and periodicals, many with full-text and images. Find the latest current events, popular culture, business and industry coverage, the arts and sciences, sports, hobbies, and more.

**JSTOR**
Full text of core research journals in many subject areas including business and economics. Coverage starts at the beginning year of publication and includes all but the most recent years. Each year an additional year of currently published titles is made available.

**Lexis Nexis Academic**
Lexis-Nexis Universe provides access to company profiles and financial reports, government transcripts, trade journals, academic and legal databases. Their files are updated with full-text documents from general interest wire services, newspapers, and magazines from around the world.

**ProQuest**
Provides international, national and regional newspapers and periodicals to make a core collection in business, general reference, arts, humanities, sciences, career and technical education, computing, religion and social sciences.
Science Direct
Covers these fields: Chemistry and Chemical Engineering; Clinical Medicine; Computer Science; Earth and Planetary Sciences; Economics, Business and Management Sciences.

Webster's Online Dictionary and Thesaurus
Merriam-Webster's Collegiate Dictionary and Collegiate Thesaurus.

Wilson Business Fulltext
Provides complete, accurate access to 345 of today's leading English language business magazines. Topics include accounting, personnel, and small business. Abstracts are included.
