The dictionary describes sauce as a thing mixed , a tinge, a tinture, a touch, a dash, a sprinkling, a soupcon, a smack, and within these pages I have tried to provide all of these by word and picture, but mostly you will find by picture. It is a scrapbook of popular postcard and magazine art of days gone by and so many of the pictures require no explanation, all they need is to be looked ay. I do hope you find most of them worth it.

That's how long I've waited to see these wacky comedies and I'm so glad finally to watch them. They aren't funny. Let me explain. As a child, I made it my vocation to watch any movie that was supposed to be funny. I scanned the TV listings and I called the local theatre's recorded schedule. If it was some kind of comedy, I was there. According to my memory, I enjoyed every one of them. I enjoyed Disney fantasies about football-playing mules and pirate ghosts, and I enjoyed PBS showings of Major Barbara (1941) and Ingmar Bergman's The Devil's Eye (1960). I enj
