Curious Critters

By David Fitzsimmons

Wild Iris Publishing. Hardcover. Book Condition: New. Hardcover. 32 pages. Dimensions: 11.0in. x 9.6in. x 0.5in. Photographer David FitzSimmons turns his camera on a variety of animals common throughout North America. CURIOUS CRITTERS presents stunning images of everyday animals, including a red flat bark beetle, an Eastern spiny softshell turtle, a spotted salamander, and many other intriguing creatures. Each Curious Critter is photographed against a white backdrop, showcasing the animals colors, textures, and shapes with precision and clarity. Along with each photo is an entertaining and educational vignette, told from the critters perspective: a bush katydid explains her bubblegum-pink color, a poetic opossum opines upon her often-shortened name, and a far-from-modest black swallowtail butterfly lets readers in on her secret for avoiding predators. Young boys and girls will delight in these colorful critters and their tales. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.

Reviews

It is just one of the most popular ebook. It normally will not cost too much. I am very easily could get a pleasure of looking at a composed publication.

-- Rosetta Thompson

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.
